This table is inclusive of compensation payments made in financial years 22-23, 23-24 and 24-25 for common law public liability claims, excluding claims where the incident location is Kenya or the United Kingdom. Data for FY 25-26 (YTD) has not been included, as no common law public liability compensation payments have been made thus far where the incident location was outside of the United Kingdom.

* This figure includes a global settlement amount.

Common Law Claims & Policy define claimant type as either that of a service personnel, or a civilian. A civilian is defined as persons who are not members of the armed forces.
